## Katie credit plan to avoid bankruptcy

**FORMER** glamour girl Katie Price has avoided bankruptcy after agreeing a plan to pay back what she owes.

A specialist insolvency and companies court in London heard yesterday Katie, 40, has agreed the plan with her creditors.

In October, she was given time to negotiate a deal with the taxman over her finances by a judge at an insolvency and companies court.

The case was previously adjourned following a hearing in August to allow time for the consideration of an Individual Voluntary Agreement.

Lawyers representing her creditors told the court yesterday that her proposal was accepted on November 30.

An IVA is a formal agreement which lets people with debt repay their creditors at an affordable rate in a bid to avoid bankruptcy.

# PETER ANDRE WAS MY BOOTY CALL

**Mel B reveals she used singer for sex**

**SPICE Girl Mel B has confessed pop star Peter Andre was her BOOTY CALL in the mid 1990s.**

The 43-year-old revealed she regularly phoned up Peter, 45, whenever she felt horny and he'd come round for SEX.

She was very complimentary about her romps with the Australian hunk and admitted he was a "fantastic lover".

Scary Spice, who's currently promoting her memoir *Brutally Honest*, said her and Pete spent many a night together in the nineties.

Mel said that despite having a destructive relationship with ex-hubby Stephen Belafonte, 43, she has had some good ones in the past.

## **Polite**

She said: "Peter Andre was my booty call – a fantastic lover. And he was so polite. He'd ask before he kissed me!"

"Max Beesley, Peter Andre, Eddie Murphy. They're all lovely guys."

I've had some really kind, loving relationships. Eddie is very 'family', which I love. Eddie's just a homebody."

In the past, Peter has also opened up on his romance with the Spice Girl, declaring that she "broke his heart".

He previously said: "I really liked Mel but she broke my heart."

"She treated me like I'd treated other women in the past and she made me grow up."

Mel is set to go on tour with The Spice Girls next year.

# HACKS' NUDE DAVE GAFFE

NEWS website *Huffington Post* were forced to issue a grovelling apology after mistakenly claiming that wildlife legend Sir David Attenborough was a secret NUDIST!

After posting a video of the famed broadcaster, *HuffPost* tweeted: "We've deleted an earlier version of this video that incorrectly described Sir David Attenborough as a 'naturalist.' We of course meant to describe him as

a naturalist. We regret the error."

*Blue Planet* star Sir David, 92, was addressing a UN Climate Change Conference in Poland in a speech that urged world leaders to "tackle global warming."

## Paris 'on hunt for top jizz'

**SOCIALITE** Paris Hilton is said to be on a SPUNK HUNT – but the jizz must be “top pedigree”.

Paris, 37 (above), recently split from Chris Zylka, 33, and sources close the Hollywood heiress say she's searching for a sperm donor so she can start a family.

Despite being single with no plans to find love, Paris is taking her baby dream into her own hands and has allegedly started the search for top spunk.

A source claimed: “Paris is off men. She was so sure Chris was the one and now she feels she completely got it wrong.”

“She sees what her sister Nicky has with her husband and two kids, and she's jealous.

“She's reached out to a sperm-donor agency.

“She is seeking an anonymous donor with extremely good looks, high IQ, and from a family with pedigree.

“At the moment, Paris is frustrated that no-one seems to fulfil her criteria. But she's not giving up and is scouring donor lists worldwide for the perfect candidate.”

## Widow's gay sex graveyard shock

A WIDOW is “devastated” after two men were seen BUMMING on the site where her late husband's ashes were scattered.

When Maurice Englefield passed away in March his wife Catherine had his ashes spread in Chesham cemetery, Bucks.

But when she visited the memorial spot most recently she found it in a right state – with broken bushes and what looked like evidence someone had been sitting on it.

Someone who lives next to the plot told an upset Mrs Englefield she'd reported seeing two men shagging there.

Mrs Englefield, an NHS worker who now lives in Aylesbury, said: “When the neighbour told me what had happened I was devastated. There is just no respect.”

She is now calling for the cemetery gates to be locked at night.

# And the bride wore... NO BRA!

**STUNNING** *Billions* actress Milin Akerman has tied the knot with British actor Jack Donnelly after a one year engagement.

And look what the lucky groom – star of recent BBC series *Atlantis* – got to unwrap on his wedding night.

“They were both barefoot and the waves came up on

the shore and got their feet wet throughout the ceremony,” one guest said. “It was a brief but beautiful ceremony. The waves were crashing and it was a perfect day.”

For the most part, guests sat and stood around the couple as the waves crashed into the shore and the water rolled under their feet.

And keeping with the relaxed theme of the ceremony, the bride

looked radiant in a pink spaghetti strap slip dress that had a stylish slit on the right side to allow her to show some leg – and even gave glimpses of the star's underwear.

She also went braless beneath the garment, which boasted a deep, plunging neckline.

And going braless is nothing new to Malin – because she's an old hand at shipping out her pert, firm Swedish teats. Today, we print some of the 40-year-old beauty's finest moments...

# TRUMP'S NEW BID TO SCREW STORMY DANIELS!

**DONALD Trump is trying to screw Stormy Daniels – again – by hitting her with bankruptcy-sized legal fees.**

Lawyers for the US president have asked a court for nearly £630,000 in lawyers' fees and penalties from the porn actress over her failed defamation lawsuit against him.

Attorney Charles Harder defended racking up a £300k legal bill for the president and asked for an equal amount in sanctions as a deterrent against a “repeat filer of frivolous defamation cases”.

At a Los Angeles court, Judge S James Otero noted that fees by Mr Harder's firm – as high £660-an-hour – were reasonable, but the 580 hours spent on the case appeared to be excessive and might be

By **COLIN HURST**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

trimmed in his eventual award.

The judge did not indicate how he felt about the requested penalties but asked whether lawyers' fees alone would serve as a deterrent.

Mr Harder had not put a dollar figure on sanctions he sought before the hearing, and Ms Daniels' lawyer

Michael Avenatti objected, calling it “absurd and outrageous”.

“You can't just pick a number out of thin air in an effort to put my client under Donald Trump's thumb and intimidate her,” Mr Avenatti said.

Ms Daniels – real name Stephanie Clifford – alleges she had a one-night affair with Mr Trump in 2006.

She sued him earlier this year seeking to break a non-disclosure agreement she signed

**SLAPPED:** Trump (left) wants Stormy (right) to pay legal fees

days before the 2016 election about the tryst as part of a £100k hush money settlement.

The President has denied the affair, but essentially acknowledges the payment to Ms Daniels.

Despite the deal to stay quiet, Ms Daniels spoke out publicly.

She has also appealed Judge Otero's decision and Mr Avenatti said he expects to prevail at a higher court.

## Matt nearly Busted over nude model

**BUSTED** star Matt Willis said he almost got into trouble with *Big Brother* wife Emma when a naked glamour babe stalked him on social media!

Rock star Matt, 35 (above), revealed he risked the wrath of his missus when he followed the glamour girl on Twitter.

The *Year 3000* singer was reflecting on how social media has made it easier for fans to send direct messages.

Recalling the model incident, Matt said: "I had one girl come up to me after a gig, who I had seen again and again."

"She seemed cool and she was like, 'Follow me on Twitter – please follow me'."

"So, eventually I gave in, and a message pops up from her and she's some f\*\*king glamour model."

"Her profile had fully naked shit on it!"

"Yikes. I unfollowed quickly. I could've been in serious shit because of that!"

The 51-year-old (above) was sacked in 2011 by ITV after failing to impress following his switch from BBC1's *The One Show* to host the early morning news show.

He said: "I failed abominably. I'm hopeless in the mornings. I looked miserable, I was sullen, I sat there like a bag of potatoes."

"On *The One Show* we were pulling in five million viewers. For a huge amount of money I went to ITV to do *Daybreak*."

"At which I was shit."

## TITTY WOMAN!

## Julia wears Gazza boobs in telly stunt

**HOW** do you get more followers on Instagram?

That was the question posed for Hollywood legend Julia Roberts when she appeared on lesbian Ellen DeGeneres' TV show.

Ellen suggested that Julia show off a big pair of boobs – like Instagram masters the Kardashians

– and pose in a tropical location.

As Julia is more modestly-chested, Ellen wheeled out a pair of giant Gazza-style knockers.

One fan of the 51-year-old *Pretty Woman* actress said: "I don't think she suits the big rubber tits."

"I would like to see her wee."

# ROYAL COP ASKED TEEN 'ARE YOU A VIRGIN?'

**A MARRIED** cop guarding the royal family sent a teenage girl "lewd" messages and asked if she was a virgin after he got her number when she visited Buckingham Palace.

Royalty and Specialist Protection Police Constable Andrew Daly is accused of taking the number of a 16-year-old girl while he was on duty in May 2016 and sending her "disrespectful" text messages.

He did not attend his misconduct hearing yesterday at the Met's Empress State Building, but the panel heard he was not disputing the allegations.

Giving evidence, the woman, who has not been named, said she had been

visiting Buckingham Palace with her mum and sister when an armed officer asked for her telephone number.

She said that despite telling Daly she was 16 he said she was not under age and should take his number.

The woman added: "It was the Queen's tea party that we went to – there was a parade."

## Armed

"He was standing by one of the gates and was one of the armed officers."

"I made sure I said I was 16 to him."

She said she did not really want to give her number to him.

The woman told the hearing she was originally from Hungary and had lived in the UK for six years.

When asked why she

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

had questioned him about why he wanted her number, the woman told the hearing in west London that she did not think to "ask a cop with a gun why he wanted something".

The woman, who is now over 18, said he began sending her texts including asking if she was a virgin.

She added: "I was disgusted – I felt quite violated. I had a random person talking to me and saying if I am a virgin."

"He was a policeman, he was someone I am supposed to trust while I am walking around the streets, that I am supposed to call when I am in trouble."

## Hearing told PC asked for number at Buckingham Palace bash

Daly did not contest allegations he breached professional standards by obtaining the woman's telephone number when he should have been performing his duty, giving the impression he wanted to pursue a relationship with her, and sent disrespectful messages.

Charles Athorp, counsel for the Met, said: "Whether the young lady was 16, 17, 18, 19 or 30 doesn't really matter."

"A police officer in the position that this officer was in should not be seeking to initiate sexual relations in this manner."

"We are in a very different place from where it was acceptable for police officers to pick up women outside Buckingham Palace."

The hearing continues.

**OBJECT:** Item spotted by eagle-eyed viewers

**EAGLE-EYED** *EastEnders* fans spotted a purple DILDO in the Slaters' bathroom on Monday night's episode.

Amid the drama of Albert Square, viewers of the BBC soap saw a silicone sex toy poking out of the shelves in the shower.

As Kat Slater, played by Jessie Wallace, 47, and Alfie Moon (Shane Richie, 54) had a tense talk in the bathroom, viewers were distracted by the bulging head of a plastic purple COCK – probably a can of deodorant.

Fans were soon tweeting, with one posting: "Did anyone else see that big purple dildo on the top shelf in the shower?"

Another said: "Anyone else noticed a little extra something

in the Slaters' bathroom?"

Alfie returned to Albert Square on Friday's episode, in a bid to see Kat after their life together in Spain fell apart.

And there's yet more drama ahead for the troubled pair during the festive episodes.

A source said: "The scenes will be classic Slaters. There will be a huge row and it will be carnage – Alfie is going to have a big headache, come Boxing Day, and it won't be because of the Christmas wine."

## George feels 'ill' at idea he's a celeb

ARCHITECT George Clarke said the thought of being a celebrity makes him "ill", as he admitted he rarely watches his own programmes on TV.

The presenter is a regular feature on Channel 4, fronting *The Home Show*, *The Restoration Man* and *Amazing Spaces*.

But Sunderland-born George (above), 44, insists that his passion is in "making" and fame makes him uncomfortable.

He said: "I never use the 'C' word - which for me is 'Celebrity'. I don't want to be a celebrity."

"I want to be a good architect. I want to make and craft really beautiful programmes people love watching."

"I set up my own TV production company five years ago because I love the process of making a TV show and getting beautiful shots and writing nice scripts."

"To be honest I don't really watch them that much when they go out."

"Why would I watch myself on telly? The thought of being a celebrity just makes me feel a bit ill."

## PERV POSED AS WOMAN TO FILM SEX

A MAN has been sentenced to three years' jail for filming himself having sex with dozens of other men while posing as a HOUSEWIFE and luring them to his home.

Crossdresser Bryan Deneumostier was arrested in July for making unlawful recordings of sex acts for a porn site.

Out of 150 men, at least 80 of them were unaware Deneumostier, 34, was recording them.

In September he pleaded guilty to

two counts of illegal interception of oral communications charges. One of the males was just 16 years old.

Deneumostier went by the user name 'susanleon33326' on a site he created called *StraightBoyz.net*.

Prosecutors listed three victims on an indictment related to the website, which promised videos of gay men conning straight men into have sex. The men in the videos were blindfolded or wearing blacked-out goggles.

Photos from Deneumostier's Twitter page showed him wearing wigs, make-up, tights, heels and dresses as he prepared for his late-night romps with different men.

In one photo he is seen wearing a leopard print bra and panties set with red heels and black tights.

Other photos show him wearing red lipstick and fake eyelashes.

Deneumostier, of Miami, Florida, assisted in the operation of the subscription-based pornwebsite.

THE director of a yoga school is warning Facebook users to set up strong online security after hackers created a fake sex video of him - and then demanded money.

Sunder Saini (left), known by his yoga name Jnandev, described the attempt as "sickening and scary" after being sent the video.

Criminals had edited it together by mixing it with footage from a real video chat he'd had with his wife Deepika, who's visiting India.

He said from his home near Whitland, Carmarthenshire, "They must've hacked into my account and taken the

little bit of video when I was talking to Deepika."

"In the first half of the video you could see it's clearly me, the other half is half of a body and basically someone playing with themselves. Also at the top of the camera, they had a girl stripped off naked."

"In that first hour, I can't really explain it, it was like someone was trying to kill me, kill my name. It's really scary."

"The police reassured me and said once you block them and say 'do what you want to do, I'm not paying you,' they move on."

## Lover squished to death by his 21-stone girlfriend

**A WOMAN weighing 21st killed her smaller boyfriend by sitting on his FACE.**

But Windi Thomas, 44, has avoided a potentially longer prison sentence for murder and other charges of assault and endangerment after she pleaded guilty to manslaughter.

Her recommended sentence drops from 20 to 40 years in jail down to 18 to 36 years.

By WENDY THOMAS [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Keeno Butler, also 44, was found dead at their home in Eerie, Pennsylvania, back in March.

At the time of her arrest, Thomas told police she had been drinking and looking to purchase crack cocaine.

### Smothered

She initially attacked her eight-and-a-half-stone lover with a knife, stabbing him in the hand, before bludgeoning him with a table leg.

It was then she smothered him by sitting on his face.

Butler's death was caused by "respiratory insufficiency secondary to blunt force trauma to the neck and thoracic compression, exacerbated by blunt force trauma to the head."

"I feel like she should have 40 or more," the victim's sister, Sandra Jean Butler said. "She deserved life."

Keeno Butler is survived by a daughter, Adele Brown, two grandkids, his mother and nine siblings.

Thomas is being held in custody awaiting sentencing.

## UNDERTAKER'S TOPLESS COFFIN CALENDAR

**WELL they do know how to deal with STIFFS!**

Coffin manufacturer Lindner have unveiled their latest calendar – which shows naked women draped over wooden caskets.

**Beautiful**

To celebrate ten years of nude bodies on top of coffins, the undertaking company decided to show men in their calendar for the first time.

The calendar – produced every year – was inspired by the classic Pirelli glamour calendar.

Zbigniew Lindner, founder of the Polish company, came up with the idea to produce the cheeky calendars in 2009, but this year is the first to feature men.

He now hopes to sell 15,000 of the £33 calendars.

A spokesperson said: "The Lindner calendar is now ten years old. For a decade, it has become our hallmark to combine opposites – beautiful,

naked human body with the perfect matter of our exclusive coffins."

Founder Zbigniew said: "So much work goes into our coffins that are only seen for moments at the funeral."

"We wanted to show that a coffin shouldn't be a sacred object. It's the last bed you'll ever sleep

in and we enjoy showing off our beautiful coffins.

**Footie stars banned over arse biscuits**

A GROUP of 10 high school footballers were suspended for three games after they ran naked across a field with Oreo biscuits wedged between their buttocks.

The players from Byron High School in northern Illinois were axed for indecent exposure.

School officials said they went on the "Oreo Run" on the school's football field voluntarily and were not victims of a bullying ritual.

The story came to light after a letter was sent to parents of students who admitted to participating in the run in October.

The students were forced to sit out games last month – the last of which was a state championship game in which Byron lost 24-20.

It's not known if the players ate the biscuits after the stunt.

## HUBBY SHOT BABY SON AFTER WIFE REFUSED SEX

**A DRUNK dad shot his baby dead after his wife refused to SHAG him.**

Maycon Salustiano Silva, 25, had been drinking heavily and smoking weed before turning the gun on his six-month-old son.

He had been arguing with his wife, Jennifer, 20, at their home in Luziania, Brazil.

After she refused to sleep with him, he reached for the pistol that was tucked down the back of a sofa.

Salustiano, who had no criminal record, said he "didn't remember what happened" after his drug and drink binge.

The baby, called Michel, was pronounced dead in hospital two hours after the incident.

Det Daniel Martins Ferreira said: "We believe the suspect, in a moment of rage when he didn't get what he wanted, shot the child at point blank range by resting the gun on the baby's chest as he lay in the cot in his parent's bedroom."

"The mother reported that her husband woke her up and wanted to have sex with her."

"She said she was

tired and 'did not want to'. He became irritated and physically assaulted her in the argument that followed."

In the midst of the quarrel, it's claimed the dad went to get some water but came

back with the gun which he pointed at his wife.

Salustiano has been charged with manslaughter and the illegal possession of a weapon.

He is also accused of domestic violence.

The mum was quizzed by police and freed on the grounds she was not involved in the crime.

**'Clinic patients caught nude by physio spycam'**

A PHYSIOTHERAPIST allegedly used a spycam hidden in a clothes hook to film patients getting changed at his clinic.

Andrew Weinzettel, 52 (above), allegedly used the secret camera to film patients naked at a clinic.

Cops were called to Greenfield Physiotherapy at Greenfield Park in Sydney, Australia, on November 12, where they found the concealed camera in a changing room.

Police immediately seized the device and arrested Weinzettel.

A statement by the Centre said: "We were shocked and appalled to learn that our patients' privacy has been invaded in a place they had every right to trust and feel safe."

"As soon as the device was discovered we immediately informed the police."

Cops later seized a number of items from Weinzettel's home.

He was charged with two counts of filming a person's private parts without consent, and granted bail.

He's due back in court on February 4.

**Rugger teen's brush up arse**

A HIGH school rugby tour ended with a 17-year-old being charged after a teen had a toothbrush shoved up his ARSE.

Cops are investigating the incident involving members of a Christchurch Boys' High School sports team this year.

The 17-year-old, who can't be named for legal reasons, has been charged with sexual violation and will appear in the Christchurch District Court, New Zealand.

The CBHS team was competing in a national tournament at the North Island when another teen was overpowered at the accommodation.

Cops say the victim's clothing was removed and a toothbrush inserted into his anus.

It is understood the incident led to the expulsion of one boy and the suspension of others, although the school has declined to comment.

## President tells voters 'I'm alive!'

NIGERIA'S President Muhammadu Buhari has denied claims that he had DIED and was replaced by a Sudanese impostor.

Buhari (above), who is running for re-election in February, spent five months in Britain last year being treated for illness.

One theory widely aired on social media – and by some political opponents – was that he had been replaced by a lookalike from Sudan called Jubril.

No evidence has been presented, but videos making the claim have been viewed thousands of times on YouTube and Facebook.

"It's the real me, I assure you. I will soon celebrate my 76th birthday and I will still go strong," Buhari said in Poland on Sunday, where he was attending a conference.

"A lot of people hoped that I died during my ill health. I was in London convalescing," he said, adding that those who spread the rumour were "ignorant and irreligious".

**Fact me!**

A LONDON by-law of 1351 prohibited boys from playing practical jokes on MPs.

## Cop filmed nads on officer's cam

A POLICEMAN has been suspended after recording his testicles on a body cam in an ill-advised prank.

Det Raymond Williams' video was discovered by a female colleague in the New York Police.

He waited until another cop went to the loo in their police station, snatched his body camera and filmed his nads.

The 32-second video "consisting of him intentionally exposing his testicles" and rubbing his penis, say NYPD police who confirmed that "the incident is under investigation."

Williams was told to hand in his ID and guns.

## KEN CORRIE BILL LAST LONG?

**FORMER US President George HW Bush died at the age of 94 at home in Houston, Texas last week.**

And as news of his death spread, we searched for a fitting replacement to take his place on our world-famous *Celebrity Death Sweep*.

And with *Coronation Street* star William Roche, 86, entering his 59th year as Street character Ken Barlow, we reckon he deserves a place.

Having suffered the miserable Manchester weather for almost six decades, he could be nearing the end.

However, there are still some older famous faces on our list that seem more likely to check out before he does.

So it's time to start a new game. Follow the instructions below and wait to see who croaks next – and who collects.

Bush Senior served as the 41st US president between 1989 and 1993. He was being treated for a form of Parkinson's disease.

## HOW TO DO IT...

CUT out all the names on the left, then fold them up and put them in a hat, bag or box.

Then charge everyone £1 (or more) to draw a name – make sure you write the ticket owner's name next to the

celebrity in the form below. Put the money and the list somewhere safe and wait for fate to take its course while keeping an eye on the news.

Just don't forget where you put the kitty!

A GRANNY suffered “a serious indignity” when police arrested her as a MAN and was forced to spend 10 hours in a male jail surrounded by leering inmates.

Fior Pichardo de Veloz's shame was compounded when a judge threw out her lawsuit for negligence.

But an appeals court has now reinstated her claim against the jail doctor and nurse who insisted officers book in Pichardo (*above*) as a man – even though a strip search had shown she was a woman.

A judge said: "Every reasonable prison officer and medical personnel would have known that wrongfully misclassifying a biological female as a male inmate and placing that female in the male population of a detention facility was unlawful."

The decision means that she can now pursue for compo.

A lawyer for Pichardo, 62, in Miami, Florida, said "we are pleased" with the court's decision.

# Xmas Santa slayer slated

**KIDS** were left in tears at a Christmas lights turning on ceremony when a man started shouting: "Santa isn't real!"

**A mother took mobile phone video of the man with a giant sign, in the middle of the excited youngsters, saying that parents are telling their children lies.**

The mum, who did not want to be named, said: "It's heartbreaking that the man stood there for hours just to hurt little kids. What kind of twisted weirdo does that?"

**"Some of the children were really upset, and you can just imagine how angry the parents were."**

Police in Cape Coral, Florida, were at the event but said they couldn't do anything because the man was exercising freedom of speech and they could only intervene if the man used a voice enhancer like a megaphone or created a riot, which he didn't.

## LOVE Island hottie Megan Barton-Hanson wants to become a SEX TEACHER!

The 24-year-old has already been vocal about her thoughts on slut-shaming and sexuality as well as her choice to have plastic surgery.

And now she's announced that she would be the perfect person to teach sex ed to school kids because she is "young and cool".

Megan has been open about her love of sex, after having two romances in the TV villa with Eyal Booker and her now-boyfriend Wes Nelson.

**By WENDY THOMAS**  
news@sundaysport.co.uk

She said: "Sex education is really important and I want to go back to school to teach kids and answer questions they might be too embarrassed or shy to ask their teachers."

## Awkward

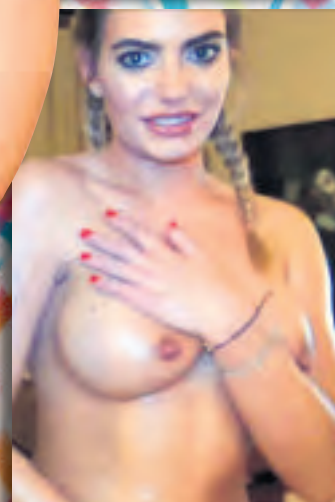

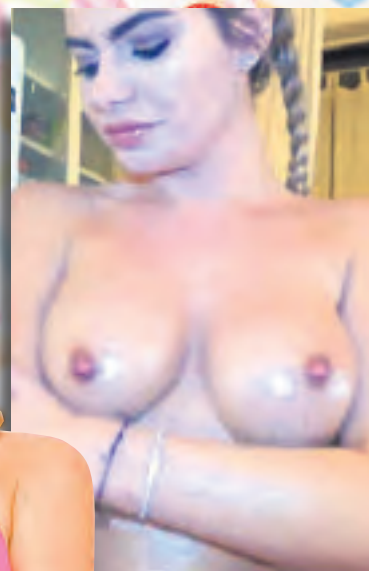

“Schools have a responsibility, as do parents, to teach their kids. I think if it’s awkward and weird coming from a much older teacher – it doesn’t work or sink in.”

Megan is also working with feminine care brand Woo Woo on a sexual health campaign.

She thinks more measures should be taken in schools to make sex lessons less awkward for pupils.

She said: "If it's not people from reality TV shows talking about it, why don't schools get young cool people in who speak about using condoms and getting tested and girls having periods?"

"There should be no stigma, taboo or embarrassment around the subject."

A MAN has been cleared of masturbating in public after a court accepted his defence he was merely well-endowed and adjusting himself.

Kosta Kolaci, 61, was nicked in April on suspicions of public lewdness and harassment after a fellow passenger on the New York subway took a video of him appearing to touch himself on an early morning train.

But Mr Kolaci was cleared after a brief trial at Brooklyn Criminal Court, in which he argued he had no recollection of the April 9 incident.

In the subway video, Alethia Richardson, 32, films the man sat opposite her “pleasuring himself” and then says into the camera: “Disrespect Nasty Pervert.”

Twice in the film Mr Kolaci appears to be touching his genitals for 10 seconds.

Defence attorney Cary London successfully protested his client's innocence, citing the fact he never unzipped his pants or exposed himself.

Mr Kolaci is still in custody, facing a deportation order to his native Albania that was triggered by his arrest.

## FAN WARNING AS MODERN FAMILY SARAH SKINNY DIPS

**MODERN** Family babe Sarah Hyland was warned she'll get sea lice in her MINGE after she posted a skinny-dipping snap on Instagram.

The babe posted the saucy snap on holiday with boyfriend Wells Adams.

"Skinny dipping over the ocean," the 28-year-old star, captioned the snap, taken from her birthday trip to the British Virgin Islands.

"This is 28," she added before giving Adams a shoutout for taking the photo.

But one user was concerned about Sarah receiving unwelcome visitors in her clunge-crack.

### Cuddling

Dingo8 said: "Put some damn clothes on dammit! You'll get parasites in your hoo-ha"

But giving the image his seal of approval, Sarah's boyfriend commented, "I thoroughly enjoyed taking this picture."

Earlier, the *Bachelor* In *Paradise* bartender, 34, heaped on the praise as he celebrated his

girlfriend's birthday.

"It's that can't-eat, can't-sleep, reach-for-the-stars, kind of stuff," he wrote alongside photos of the couple cuddling up and kissing in the snow, quoting an iconic line from the 1995 romcom *It Takes Two*.

"Happy birthday @sarahhyland! You're perfect and I love you most," he continued – adding that the birthday festivities were only getting started. "Now pack your bags, cus baby, we're jumping on a plane and heading down to the islands tomorrow!"

## Kiwi race case thrown out

A NEW Zealand woman has unsuccessfully argued that she was the victim of racial discrimination after being labelled a "Kiwi" by her colleagues in Australia.

Julie Savage said she was disrespected when her boss and co-workers called her "Kiwi" instead of her name.

But a tribunal ruled that she had not suffered unfair treatment or discrimination at work.

A judge noted that the term – derived from the name of a flightless bird native to NZ – was commonly used by New Zealanders themselves.

**S**AUCY Zoe Stollery loves to explore her naughty side – and she was thrilled to get all dressed up in bondage-style gear for this wild S&M-themed photo shoot.

And the 26-year-old admitted she became "obsessed" with kinky sex after seeing the *Fifty Shades of Grey* movies.

Zoe, who boasts jaw-dropping 32FF curves, said she couldn't wait to try out the sizzling spanking

scenes from the flicks at home.

The model, from Colchester, Essex, said: "I like being dominated in bed – so it's perfect for me."

"I've enjoyed the pleasure of being handcuffed, but I've never brought a whip into the equation."

"The thought of it is very sexy to me though – I might suggest it to my fella!"

"I like to think I'm pretty kinky, and guys seem to like that."

**WORKERS** are planning a frisky Christmas with thousands booking hotel rooms for festive fumbles after the office party!

A new report has found that workers are planning to socialise more this Christmas than last year – partly because of the uncertainty Brexit will bring.

Research by hotel chain Travelodge suggested that most workers have 10 festive events planned this month, including drinks and Christmas lunches.

Travelodge said there had been an "early surge" in room bookings for the festive season.

And that means LOTS of boozy bonks with colleagues, say experts.

workers indicated they will spend an average of £323 on socialising with colleagues in the run up to Christmas – twice as much as last year.

Shakila Ahmed, from Travelodge, said it

appeared that British workers wanted to end the year on a high due to uncertainty over what will happen to the economy after the UK leave the EU next March.

Workers in London, Cambridge, Bristol and Glasgow will spend the most on festive events, according to the study.

# THE WORLD FAMOUS AGONY Page

Dear Ava,

I WORK in an arcade in a seaside town. The money's not bad and there's always a fresh coachload of horny women to try to shag – summer or winter.

The other week I spotted a babe trying to fiddle the machines, so I led her to the back office where I threatened to call the cops.

She said she'd do anything if I didn't and in seconds she was naked and bent over my desk with six inches of cock wedged up her.

And it didn't take long for me to explode in her slot.

While she was getting dressed I asked if she wanted a hot dog. She giggled and said she'd show me a great trick with it. So I rushed off, imagining it up her snatch, but when I got back she'd done a bunk with the day's takings!

What can I do?

DF, South-East

Ava says...

I GUESS you both hit the jackpot

Dear Ava,

MY mate's mum gave me £50 to shag her and a friend last week.

They're both in their 50s and have pretty decent bodies, even if their faces are a bit wrinkly from all the fags and booze they consume.

I must have made a half-decent job of it because they say they want to make it a regular thing.

They've even offered me an extra £25 if I shag another of their MILF pals.

But I feel guilty about cheating on my girlfriend, not to mention my mate finding out.

Any ideas?

SW, Edinburgh

Ava says...

JUST lie back and think of the money!

## Lovin' thy neighbours!

Dear Ava,

I WAS in my garden last weekend tidying up for winter when my new neighbours looked over the fence.

They're a pair of fit babes in their early 20s who moved in a couple of weeks ago, and they asked me round for a few beers.

I was well up for shagging the pair of them and when they started kissing and fondling each other I asked if they could show me upstairs.

After we all stripped off they made a grab for my dick and took it in turns sucking me off until I was on the verge of completion.

We switched round and I boned one of them from behind while she got busy licking out her mate.

They were insatiable and I ended up shagging them again before I passed out knackered.

I saw one of them the next night and she told me that they don't want boyfriends because they have each other and they're normally only into lesbo sex.

But they'd like to carry on seeing me for some proper mancock every now and then, to keep their hands in.

Needless to say I'm well up for it but my bastard landlord has just put my rent up by £175 a month.

I can't really afford to stay but I want to keep shagging these honeys.

Please help!

PB, Bolton

# GP is just what the love doctor ordered!

**Dear Ava,**

**I USED to be a cheerful person, but since my hubby went off SEX two years ago, I've been more and more down – until I became a right MISERY.**

So I decided to go and see my doctor to see if I could get some of those "happy pills" to cheer me up.

My GP listened while I blubbed my eyes out, telling him how I hadn't had sex in ages.

As I talked he gently stroked and patted my knee to comfort me while saying soothing things about how I was still very attractive and that it sounded like it was my hubby who had the problem, not me.

## **Vibrator**

He also said he understood why I couldn't use a vibrator to pleasure myself because it couldn't tease me beforehand and cuddle me afterwards.

His warm palm tingled through my skirt and the skin on my thigh felt all hot. I could feel the warmth spreading up to my pussy and my fanny lips swelled with blood and opened up like a flower in bloom.

I could feel the heat spreading up my body until my cheeks flushed and my eyes sparkled.

My doc looked into my eyes, smiled, and said: "The reason I can be so sympathetic to your situation is because

it's the same one I find myself in. My wife just isn't interested in sex. I miss the touch of another human."

Then suddenly we were snogging each other's faces off. He had a beard, which was a bit scratchy, but it was so nice to be wanted by someone that I could feel my knickers flooding with my juices.

## **Pussy**

The next minute, he had me up on his examination table, knickers down and legs spread. He put his face really close to my fanny and breathed in my scent.

"In my professional opinion, there's definitely nothing wrong with you," he said, winking.

Then he climbed on top of me, pulled his cock out through his fly and stuck it deep into me, filling every inch of my eager pussy.

We f\*\*ked each other to three orgasms

before the receptionist buzzed his room to see why he was running half an hour late with his appointments.

As we quickly dressed, he told me that he couldn't shag me again unless I changed doctors because what he'd just done could land him in an awful lot of professional trouble.

Well, I've now registered with a different doctor's surgery and my old GP comes round and gives me a dose of his own form of happiness at least three times a week!

*DA, Cornwall*

**Ava says...**

**SOUNDS like your old doctor was very naughty! What he did could most definitely get him into a lot of trouble.**

**I'd tell you to report him, but it sounds like he's just what the doctor ordered!**

**Dear Ava,**

**MY missus has got a bad back and we've had to get some home help in.**

We've read about these "nude" cleaning and housework services and joked about having a woman a couple of days a week for me to ogle, and a fit bloke for her.

When my wife said she'd arranged it I thought I'd be seeing a nude woman parading around our gaff.

Anyway, I had been getting up early for work and getting home late, so it was a few days before I was introduced to her – or should I say HIM...

Because the missus had got a student lad in!

That was OK, but the next day I sneaked home early and there he was starkers doing the chores.

Then the wife walked in and started fiddling with his dick, before they went at it on the floor.

I slipped away and came back the next day to watch a repeat performance.

This time I admit I had a quick wank while he had his head between her legs, then screwed her hard and fast from behind.

I should be angry but the sex is suddenly so much better with my wife, and I'm loath to point out her back seems a lot better.

**What should I do?**  
*GF, East Sussex*

**Ava says...**

**SACK the lad and clean up yourself, you lazy pig!**

## Sex with the merry widow is killing me!

**Dear Ava,**

**I'M a 46-year-old bloke and I've been banging a widow 10 years older than me for the last three months.**

I met her in my local and she always came over as friendly and happy – me and my mates had got to calling her the "Merry Widow".

I asked her out and we started dating, going for a few quiet meals and drinks together, stuff like that, before we finally got down to doing the business in her bed.

And was delighted to find that she's a real dirty cow in the bedroom.

My previous girlfriends had been a bit dull in regards to sex, only liking it the missionary position.

So I didn't really know there was more to bonking than I'd been getting.

But I soon found out as the Merry Widow encouraged me to lick her out and shag her up the bum.

I once did it five times in a night and I ended up with quite a sore dick!

She also loves being tied up and spanked and always begs me to come on her face and tits.

And she often dresses in susses and all the gear and rides me to oblivion.

She has a stash of porn DVDs and likes to get up in the kindest gear and sit and watch it with me, playing with my cock all the while and from time to time suggesting we do a position we've seen on the screen.

It all sounds like it's perfect, doesn't it?

My only worry is, she's almost killing me with all her sexual demands.

## KELLY BELL

By **SIMON DEAN**  
[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**OUR poor postman must curse when curvy Kelly Bell appears in Sunday Sport.**

Because the next day he's expected to hoist bag after bulging bag of fan mail up to our HQ.

The scorching first shot to fame back in 2000 when we became the first publication to discover Kelly's whopping 30Gs – which she'd had boosted through surgery at the age of 18.

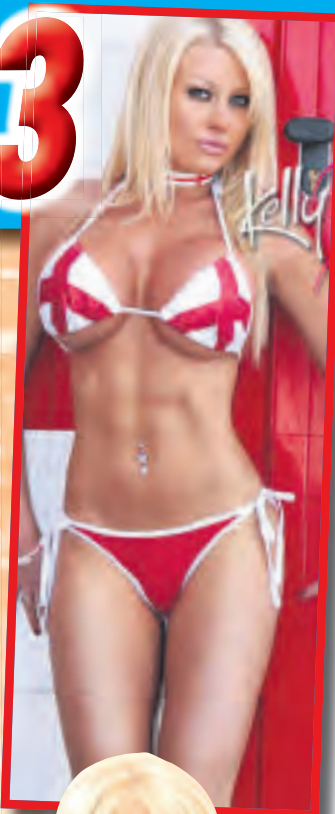

And the busty babe, from

Aldershot, Hants, was the first model to achieve 100 front page appearances for the *Sport*.

After retiring from glamour modelling in 2012, Kelly said she loved all her time in front of the lens, and wouldn't change it for the world.

She purred: "I had the best time modelling for the *Sport*. They were some of the best years of my life."

"I'd like to thank everyone who supported me."

## EDITOR'S PICKS OF THE DAY

This week we've got a pair of British best ofs that guarantee you value for money and all killer, no filler sex scenes.

First up is **The Best of British Threesomes**, over two hours of top drawer hardcore from the acclaimed Adult Channel group sex scenes. Watch these English babes get their mouths, pussies and even their bumholes filled with man meat, You know what they say – two's company but three's more fun!

And there's more classic Brit porn action from the early 2000s in **Best of British Retro Sluts 2**, nearly two hours of fine English action that hasn't been available on dvd for some time. Watch these gorgeous lasses take it every which way from their eager studs!

**GET down to yer nearest PRIVATE SHOP for the sex offer of the year!**

It's one thing for stores to sell-off their older stock to make room for new releases but we've done a deal with Britain's biggest and best adult shopping chain to bring you ALL November's top new release titles at a massive **THIRD OFF** the already low price.

All titles are available exclusively to **Midweek Sport** readers at just £20 each! Remember, these are brand new R18 titles from the top studios and leading directors and can sell for as much as £50 each.

R18 is the certification awarded to hardcore pornography in the

UK and these titles are only available to broad-minded over 18s from licensed sex shops like the *Private Shops* chain.

You can't buy genuine hardcore from mail order so you'll have to go to one of the shops. But as there's over 100 across the UK there should be one close to you. Just have a look at the list below.

Choose from any of these amazing titles from November's releases including *Anal Education*, *I Boned Your Mom 10*, *Busty Anal Sluts Hardcore 6*, *The Corruption Of Catalina Valentine*, *British Bukkake*, *Auntie Trisha & Friends*, *World's Biggest Transsexual Co's 5*, *Anal Prison Whores*, *Girlfriends 3*, *Diary Of A Sex Therapist*, *Oiled*, *Girl Girl Sex 258 & 259* and *Private Moments*.

**SMOKIN'** Brookie G says a good sex session for her involves some cheeky BUM FUN!

The sexy glamour babe says she enjoys a well-lubed finger or two up there – all in preparation for a cock to enter.

Brookie, who boasts 30G boobs, told the *Sport*: "I do love anal, but there's a way it all needs to unfold for me.

"Firstly, I have to be uber aroused. Then I love nothing more than a finger slipped in my bum, gently, and using lots of lube.

"Then once I'm relaxed you can add an extra finger, and eventually I'll be begging for cock in there!"

### **Pounding**

The Weymouth lass, 26, says that a spot of backdoor action makes her feel turned-on more than anything else.

She added: "When I'm extremely relaxed and aroused, I can take a good pounding in my arse.

"Some people have really rich nerve endings there and I certainly do – it's a very intense and sensual feeling for me.

"The fact it's the bum feels taboo and naughty too.

"I had a boyfriend who used to come almost instantly when we did anal, I loved how horny it made him."

# SHOW ME THE HONEY!

**WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## LAUREN HOLDSWORTH

THE request for a topless snap of the gorgeous Lauren Holdsworth came from 37-year-old plumber Gary Keaton.

Gary, from Northampton, told us the 24-year-old Croydon girl would make the perfect early Christmas present now that the festive season is upon us.

Well Gary, we aim to please here at the *Midweek Sport* so enjoy is a jaw-dropping snap of Lauren and her 32DD norks in all their glory.

## ADRIANNA

**BIG-BOOBED** blonde Adrianna, 28, hasn't been seen in the paper for a while so we were more than happy to oblige when we received a request for her in this week's *Show Me The Honey*.

The 30C babe, from Reading, was the pick of Danny Wainwright, from Kinross, who has clearly missed the sight of her sweater stretchers.

Fishmonger Danny, 29, said: "She is one of the best, in my opinion."

"It would be great if you could print a picture of her that I could cut out and keep."

Here you go, Danny.

## LANE WILLIAMS

**LOVELY** Lane Williams, 28, is one of the Home Counties' sexiest exports judging by this topless snap.

So it's no wonder Luton fan Mick Norfolk asked for a photograph with her perky 34Cs on show when he emailed us over the weekend.

Factory worker Mick, 51, said:

"Lane is absolutely gorgeous and it's always good to see people from my neck of the woods doing well for themselves. Just look at her!"

# cali GARCIA

**CURVY** Cali Garcia has her stripping skills finely tuned and she's eager to show them off during her Babestation sessions.

Cali, 26, from Ealing, west London, says she spends a fortune on saucy lingerie and practices in the mirror her best angles and moves.

## Seductive

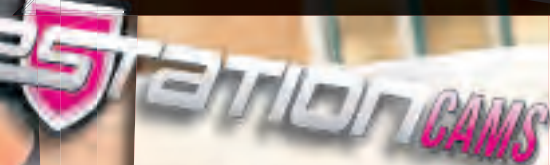

And she's so good at what she does that Babestation have named the beauty their Cam Girl Of The Weeks.

The 32D stunna said: "I must spend a small fortune on my underwear, but to me it is definitely money well spent."

"I like stripping off for him and I often practise on my own in the mirror beforehand – to get my seductive skills honed to perfection for him."

"But the only trouble is, I sometimes find myself getting over-excited in the process...if you know what I mean!"

If this saucy vixen has got your pulses racing, log on to Babestation where Cali and a whole host of girls will be stripping off just for you.

## SMOKIN HOT GUNNERS TO NICK POINT

SIX Premier League games this evening with the highlight Arsenal — who have scored at least twice in their six away league games so far this term — taking their 19-game unbeaten record to Old Trafford. The Gunners were outstanding — albeit against a disappointing Spurs — in the north London derby on Sunday although they gave their all at the Emirates and will do well to play with the same intensity and passion against United.

United are 29/20 at BetVictor to keep the points with Arsenal 19/10 and the draw at 5/2. Jose Mourinho is 5/2 favourite to be the next Premier League manager to lose/leave his post after Mark Hughes was dismissed at St Mary's on Monday morning. Arsenal have not won at United in their last 11 PL visits (since September 2006) and have only scored more than once at Old Trafford three times in their last 39 league visits. Interestingly they lost all three of those games.

Jose Mourinho has never lost to Unai Emery (W4 D1) in five previous encounters between the pair in Spain and this could be a defining game for both clubs. A 1-1 draw (13/2 at BetVictor) might be construed as sitting on the fence but I feel a draw is the most likely outcome in a game Jose Mourinho cannot afford to lose.

Burnley were fortunate to get nil against Crystal Palace on Saturday and the Clarets are now 2/5 to be playing Championship football next term. The Clarets have conceded 12 times in their six home league games so far this term and it will be a surprise if they are able to hold out against Liverpool this evening.

### Vulnerable

The Reds are 3/10 with BetVictor to keep the points with the hosts 12/1 and a draw at 19/4. Liverpool continue to somehow get results without hitting the heights of last season and I wonder if Daniel Sturridge, or indeed Divock Origi, will be given a start at Turf Moor.

If I were Marco Silva I would start with Ademola Lookman and ten others against Newcastle United at Goodison. We all know how good Theo Walcott is, but we don't yet know if Lookman is going to be another who mostly flatters to deceive. The young England wide man deserves to be given a start for the Blues tonight and against Watford on Monday — irrespective of his performance and the result against the Magpies.

Rafa Benitez will believe Everton will be vulnerable after their latest Anfield defeat on Sunday when they played their part in a quality game. Silva is likely to shuffle his pack with Dominic Calvert-Lewin, Tom Davies and Cenk Tosun waiting in the wings.

The Blues are 3/5 to get back to winning ways with United 6s and the draw at 3/1. Everton have won the last five league games between the sides without conceding a goal, but I just wonder how the hosts will react to Sunday's late loss. Newcastle are 7/5 at BetVictor in the double chance market (win or draw) and that might be overpriced — they cannot play as badly as they did against West Ham at the weekend.

## LATEST FROM THE PREMIER LEAGUE

# Seven ain't heaven for sad Mourinho

## UNITED BOSS NEEDS WIN AS ARSENAL HEAD TO OT

**JOSE Mourinho agrees that seventh place is a shocking position for Manchester United to be in.**

That's where the Reds are marooned heading into their midweek clash with Arsenal who look down on them from fourth place.

United had to come from two goals down to earn a point at struggling Southampton at the weekend.

That left them a whopping 16 points behind leaders City after just 14 games — and eight behind the Gunners in the precious final spot for the Champions League.

Mourinho has been under

By MARK NAYLOR

pressure all season and has changed his mind now about the importance of being in the top four at Christmas.

That's what he told reporters last month.

The United boss said: "Before the Crystal Palace game I said that my hopes, my targets were to be, in the end of December, in that position."

"The target changed but changed in the sense of lets try to close the distance as much as we can and try to be by the end of December very close to these positions."

"We just need to not be so unlucky with problems that we have. We need some play-

ers to perform better than they are, we need as a team to perform better than we are."

And he admits that seventh place is well below where a team that includes World Cup winner Paul Pogba and other top stars should be.

### Investment

But he doesn't think they will be there for long.

Mourinho added: "I think Manchester United, seventh place — I can agree."

"In spite of the investment Everton made, which was phenomenal, and obviously there was a great improvement in that team from last season, I don't think Everton

is going to be in front of Manchester United by the end of the season."

"I think clearly everybody knows that there are six teams that should, all of them, stay in the first six positions."

"I think at the end of the season once more the top six will be done by the six teams that we all know that have that responsibility to finish in the top six."

United will be without Ashley Young for tonight's clash with Arsenal as he starts a suspension.

Romelu Lukaku and Luke Shaw are both facing fitness tests after limping off against the Saints but Marcus Rashford should be fit.

AWKWARD POSITION: Mourinho

GET RICH: Johnson

## King can reign in Ludlow's big race

### WINNING POST WITH BEN MORGAN

**SUMKINDOFKING** (1.45 Ludlow, NAP) is finally getting the hang of things now after a period of time where he threatened to not deliver on the earlier promise he showed.

He is a big, strapping horse who has appreciated the switch to fences, showing improvement on every run. He won nicely here over shorter in October and has since ran two very good races. That form ought to be strong enough to take this.

Talking of strong form brings us nicely to **RED RIVER** who will be a warm order to take the valuable novice chase at Ludlow. His debut win last year means he holds Coup De Pinceau comfortably and I think he has probably improved physically since last year so I am quietly confident.

It's a good race with some race fit horses in the mix but Kim Bailey has been waiting to send him out for his chase debut for some time so I presume he will be plenty fit enough to do himself justice.

### Return

**BILLINGSLEY's** presence at Haydock in a handicap hurdle has surprised me as I believed he would be sent over fences. However, he looks to have been found a decent opportunity to strike up another hurdles victory.

Two wins on heavy ground last year suggest he should cope with this softer surface comfortably.

Dai Walters will be looking for an immediate return on his summer investment and with Richard Johnson booked, I presume Alastair Ralph is fairly confident.

I'm sure **TEME SPIRIT** is better than what she showed at Aintree as she pulled far too hard that day and faded late on. Her previous run at Bangor was full of promise as she stayed on nicely to almost grab an unlikely victory.

Connections do well with mares, and this could be the next one off the production line providing she learns to settle. With a big field around her today I hope Andrew Tinkler can find plenty of cover.

Keep an eye on **Mick Mona**, sister to Mick Jazz, on debut as she could outrun her big odds.

# LET ME SIGN PENSIONERS

## CHELSEA boss Maurizio Sarri wants to offer long-term deals to old boys David Luiz and Cesc Fabregas.

Both are the wrong side of 30 and the club doesn't allow contracts beyond 12 months for players of that age.

The call comes after 29-year-old Cesar Azpilicueta put pen to paper on a deal lasting for the next four seasons. The boss would like to tie down Fabregas and Luiz in a similar way but they are too old.

That's a nuisance for Sarri who thinks Chelsea are wrong with their policy that could see both first-teamers leave the club.

Sarri said: "David and Cesc are leaders."

"And so I think it's very important for me, for the staff, also for their team-mates, if they stay with us."

"I spoke with the club about this one month ago. I know very well that it's not easy, but I think that we can do a new deal for both."

"The club want a short contract and the players want a long contract."

"And so it's difficult for this reason. I think at the end we can find a solution."

"They are very important players for us. It's very difficult to find a centre-back for this level."

"And it's very difficult to find a central midfielder technically like

Fabregas. So I think they have to stay with us."

At the other end of the age spectrum, Sarri is also trying to keep Ruben Loftus-Cheek at the club.

The England midfielder has been linked with several other Premier League sides with a January bid from Crystal Palace expected.

But Sarri is not keen on the fringe player leaving.

He said: "I want him to stay with me, to stay with us. I think there is no chance."

There has also been plenty of talk of Alvaro Morata bringing his frustrating spell at the club to an end this January.

The Spaniard managed to miss a massive sitter in the derby win against Fulham and could be benched for tonight's game against Wolves.

### Confidence

Sarri is putting a positive spin on Morata's troubles in front of goal. He hasn't been that bad with seven strikes in 19 appearances — but he does miss a lot of chances.

The Blues boss said: "He missed the goal only because he wanted to score too much."

"I have to understand very well what he needs," Sarri added.

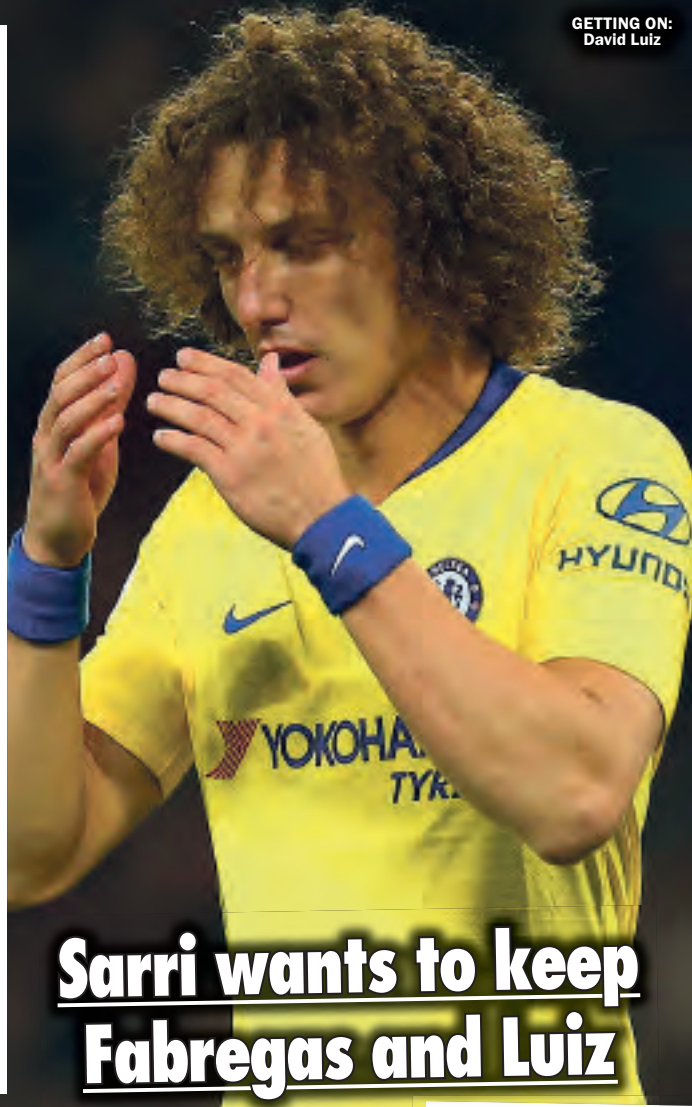

"I'm available to do everything. I think Morata, in the last month, played well."

"He needs only continuity I think, because he needs confidence and confidence and confidence."

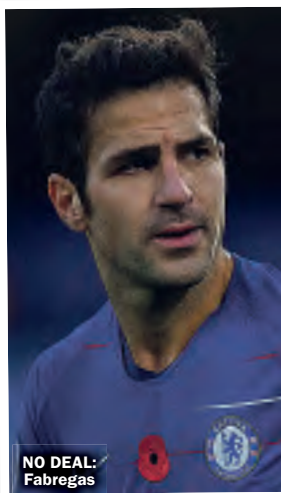

Regular Marcos Alonso will have to pass a fitness test before facing Wolves.

Sarri confirmed: "Maybe during the match the back worsened."

"This is possible, I don't know. I want to speak to him. He didn't play very well. I know very well this, but I think Alonso knows very well this. It can happen."

GETTING ON:  
David Luiz

# SOUTHAMPTON SHOUT RALPH

**RALPH Hasenhuttl** is set to be named as the new Southampton manager this morning.

The Austrian has been lined up to replace Mark Hughes who was fired after the weekend draw against Manchester United.

Kelvin Davis will look after the team to take on Tottenham tonight while Hasenhuttl will watch from the stands.

The former RB Leipzig boss has been compared to Jurgen Klopp and plays a

By **PAUL THOMAS**

similar style of attacking football with high pressing of the opposition.

The Liverpool gaffer thinks Southampton are making a positive move.

He said: "He's a good guy."

"Very lively football, very aggressive, pressing, actually very lively approach I would say."

"A good guy and Southampton, how I heard it, is a nice city, so it sounds

like a win-win situation for them."

Meanwhile, Klopp has escaped a touchline ban for running on the pitch during the Merseyside derby.

He steamed on to the pitch to celebrate with goalie Alisson Becker after Divock Origi's last-gasp winner against Everton.

He accepted the FA charge, which means he will cop only an £8,000 fine and a warning rather than sitting in the stands.

Klopp said: "That's what

the rules are for, and if you break rules you have to be fined for it."

"That's what happened, no problem with that, it's completely normal."

"The last time I did it was around 14 years ago. I'm not that quick any more. It will be fine."

"I can say it won't happen again. It was not on my radar that it was still possible."

"We make mistakes, but usually I learn from it. At least over a long period."

# I'M NO MIRACLE MAN

By JOHN ANTHONY

**JOSE Mourinho says he won't pull off a miracle at Manchester United — because he doesn't have to.**

The Portuguese is confident his stuttering Reds can still finish in the top four this season.

That's despite being eight points behind Arsenal after United's weekend draw at Southampton — a result that got Saints boss Mark Hughes sacked.

Mourinho denies telling Brazilian TV that his team need a "miracle" to finish in the top four this season.

He said: "If I used the word miracle, it is not what I feel at all."

"I don't think we need a miracle at all. I think we need a good run of results, I think we don't need to waste points where we shouldn't waste."
